What is a Sambusa?

The sambusa is a mainstay in East African cuisine. It is a thin dough shell stuffed with delicious ingredients such as meats, vegetables, cream and East African spices, then lightly fried in canola oil.

ABOUT US

RED Sambusas and Catering is a family-owned and operated business with over 20 years catering experience in the United States. Originally from Ogaden, a region in East Africa between Somalia and Ethiopia, we came to the US as refugees, and now proudly serve our neighbors here in the San Diego Community.
